#### **Parental Responsibility**

#### **Parents**

Signature

All parents have powers and responsibilities in relation to their children, which can only be changed by a court order. It is not affected by the relationship between the parents, such as whether they have lived together or are married. A court order such as under the Family Law Act may take away the authority of a parent to do something or may give it to another person.

Date

#### Guardians

The definition of "parent" under the *Education and Care Services National Law Act* (the National Law )includes either a guardian of the child (being "the legal guardian of the child" in the National Law) or a person "who has parental responsibility for the child under a decision or order of a court".

#### Confidentiality of enrolment records

The proprietor of the children's service must ensure that information in the child's enrolment record is not divulged to another person unless necessary for the care or education of the child, to manage medical treatment of the child, where expressly authorised by the parent or prescribed in Regulation 181 of the *Education and Care Services National Regulations*.
